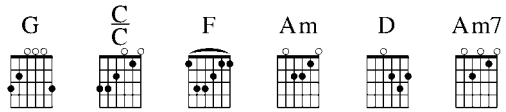
Who I'm Gonna Be

Words and Music by
JEROMY DEIBLER
and JILL PAQUETTE



Intro: **G C/G [F Am] G**

Verse 1: **G C/G F Am G**
I, I try to keep in step with the cool as ice who effortlessly set the trends
G C/G F Am G
And I almost loose my head, 'cause as soon as I catch up they change it again
F C G
Oh, I wish someone could take it all from me
F C Am D
Because it's easier pretending than living in reality

½Chorus: **G Am7**
So much time I've wasted, when will I stop chasing
F C G
Gotta stop looking around and be who I'm gonna be

Verse 2: **G C/G F Am G**
I, I know I've had enough, take one last look around and pack up all my stuff
G C/G F Am G
'Cause I can't stay one more day, 'cause moments like this quickly slip away
F C G
And I wonder how it took me oh, so long
F C Am D
Some kind of grace flipped the switch and the lights are finally comin' on

Chorus: **G Am7**
So much time I've wasted, when will I stop chasing
F C G
Gotta stop looking around and be who I'm gonna be
G Am7
So much I've not tasted, so many choices to start makin'
F C G
Gotta stop looking around and be who I'm gonna be

Bridge: **[F C] G**

[F C] D

Verse 3: **G C/G F Am G**
I, I may not prove a thing, 'cause people are gonna think what they wanna think
G C/G F Am G
But I, I'm betting underneath that everybody's just as scared as me

Chorus: **G Am7**
So much time I've wasted, when will I stop chasing
F C G
Gotta stop looking around and be who I'm gonna be
G Am7
So much I've not tasted, so many choices to start makin'
F C G
Gotta stop looking around and be who I'm gonna be
F C G
And I've gotta stop looking around and be who I'm gonna be
F C G
And I've gotta stop looking around and be who I'm gonna be
